My Art Portfolio

Lok Teng Cheung

About me

Hi! I'm Kelvin, an aspiring aerospace engineer and an artist specializing in colored pencils, watercolor, and chalkboard art. I enjoy blending my academic pursuits with my artistic passions.

Color Pencils

The Main Media That I Use
For My Artworks

01

The House In The Future

This Drawing Earned Me a Gold Award in FISO 2023.
I Found Inspiration From the architect Zaha Hadid's Work and Star Wars, Then, I Integrate These Elements Into a Picturesque and Magical World.

02

The Enduring Bonds

As a Passionate Fan of the Popular Anime “Demon Slayer”,
I Used Mixed Media, Including Colored Pencils and Airbrush,
to Depict The Unbreakable Bonds Between Tanjiro and Nezuko
When They Fight Together Against Formidable Demons.

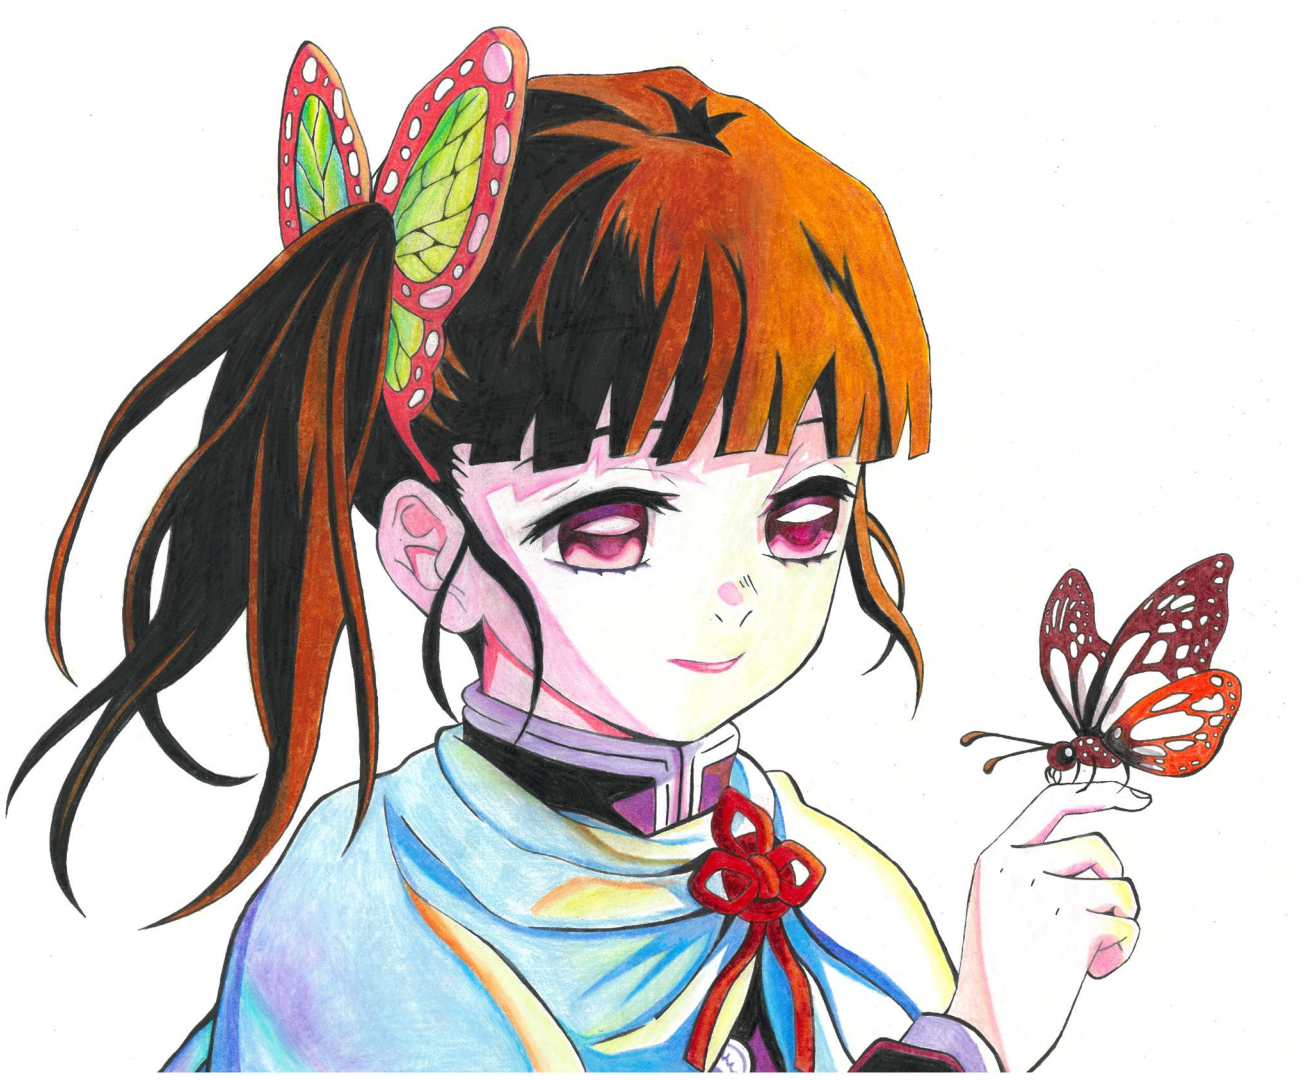

03

The Bright Girl In My Life

This Drawing was a Present to My Female Friend Who Helped My Biology Studies Before the Exam. Kanao Tsuyuri, My Friend's Favorite Anime Character and Also the Bright Girl I Portrayed in This Painting, is Mirroring Her Passion and Wisdom.

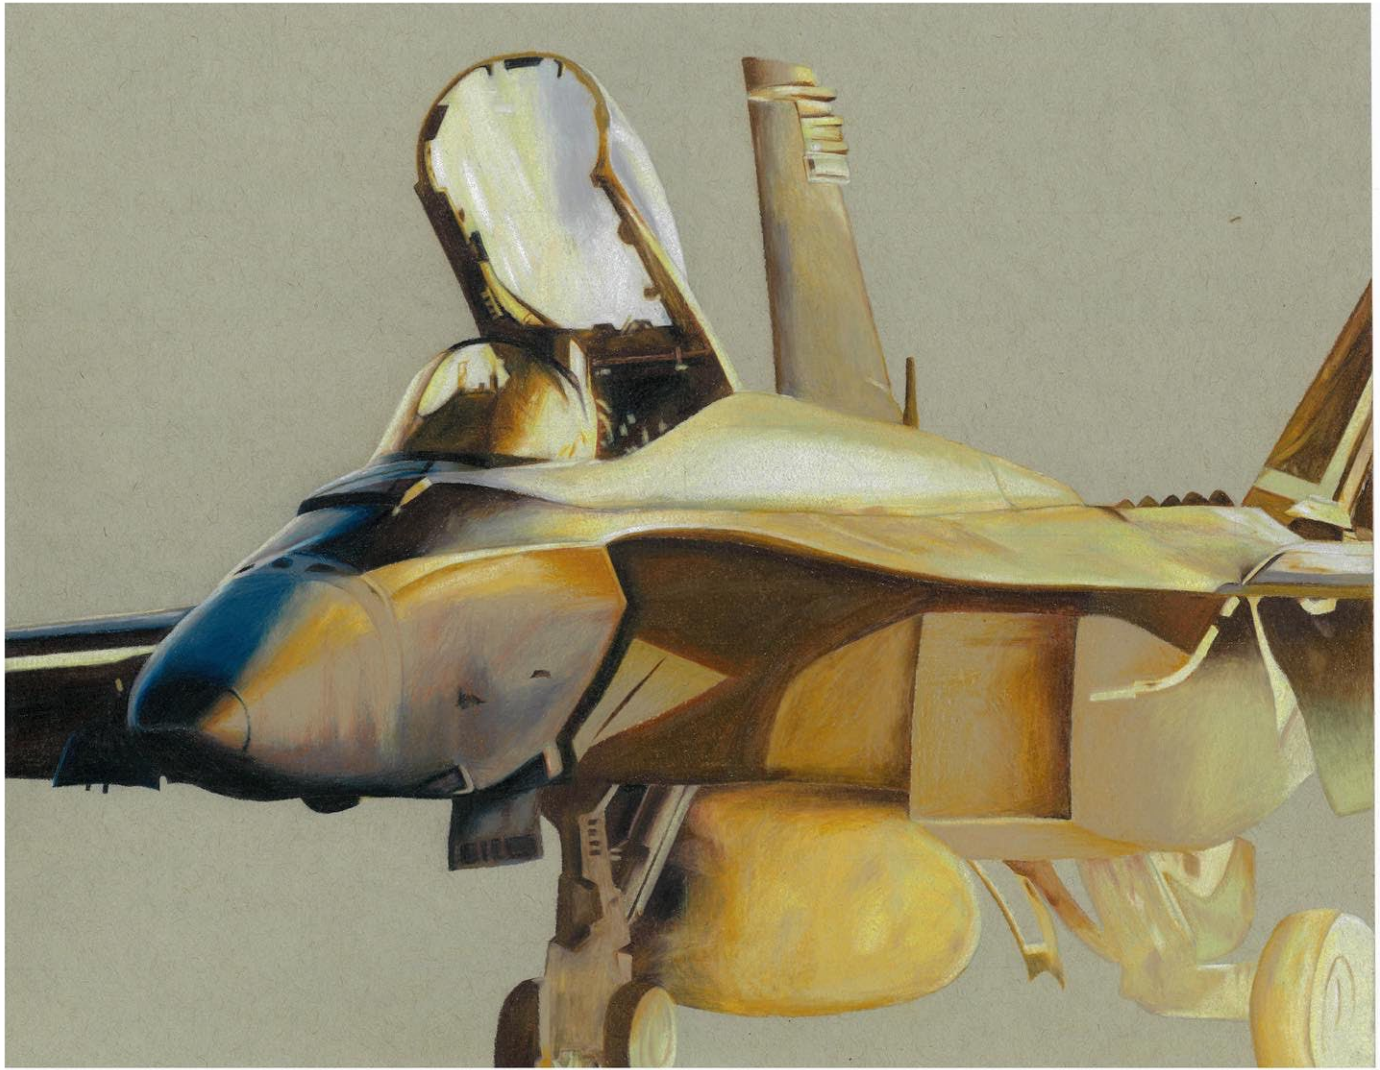

04

The Spirit Of Maverick

After Watching “Top Gun: Maverick”, I was Obsessed With the Fighter Jets That Tom Cruise Drove in the Movie, Especially the F-18 E/F Model I depicted in This Painting. This Drawing Also Sparks My Interest In Aerospace Engineering .

05

The Cloud City With Vibrancy

This Piece of Art Won a Merit In the National Sci-fi Art Competition.
The Vibrant Colors Represent The Diversity of the Future World.
Inventions Like Laser Cannons, Flying Cars, Spacecrafts,
And Space Elevators Have Already Become Ubiquitous.

06

The Valiant King

This is My First Artwork That Tried Using Mixed Media,
Combining Colored Pencils and Airbrush.
I Used Vibrant Colors to Depict To Mirror The Character's Courage
Which Was Demonstrated in the Movie When Facing Unknown.

07

I See The Light

This Musical Poster of “Annie” Won Me the 3rd Runner-up In My School’s Contest. I Depicted A Stark Contrast Between New York City During The Great Recession of the 1930s and the Bright Future Annie Created Afterwards.

08

The Angel Without Wings

This Artwork Won a 2nd Prize In the National Art Competition About Epidemic. Inspired by One of My Favorite Disney Movie “Frozen II”, I Use Anna As a Symbol of Chinese Medics Vanguard That Fight With the Virus.

09

Our Gratitude

I designed This Poster to Celebrate the International Teacher's Day in 2020. I Opted Owl As a Symbol of Teacher Because They Are Believed to be Wise. The Doodles Mirror the Personalities of Students.

10

Vivaldi

This Poster is a Tribute to the Legendary Classical Musician Vivaldi. Apart From Depicting His Iconic Stereotypical Red Hair, I also Drew the Landscape of 4 Seasons to Represent His Most Renowned Masterpiece.

11

Gunpowder

Through Drawing This Poster, I Briefly Illustrate the History of Gunpower, One of the Greatest Invention of China.
I Also Portray the National Chinese Hero, Yu Qian, Who Valiantly Defended Beijing From Mongol Invasion in 1449.

12

I Love U 3000

The Title of This Artwork Was Inspired By the Moving Quote of My Favorite Marvel Character, Iron Man. Besides Being the 1st, Realistic Colored Pencils Art I Created, It was Also a Tribute to Tony Stark As He Sacrificed in “Avengers: Endgame” To Save the World.

13

Friendly Hero

This Artwork Mainly Portrays One of My Favorite Superhero, Spider-man, Who Always Delicate Himself in Serving the Community. His Spirit of Contribution Has Inspired Me Significantly. Therefore, I Would Like to Use the Vibrant Red to Depict My Passion to Become a Hero Like Him.

14

Realism

This Drawing Was One of My Practice of Drawing Hair. As Drawing Realistic Hair Was Always a Challenge For Me in the Past, I Followed the Online Tutorials and Obtained This Fruitful Result. This Drawing Also Represents My Evolving Journey in Becoming a Proactive Self-learner.

15

A New Chapter

This is One of My Favorite Artwork Since It Ignited My Interest in Art During the Repressive Pandemic.
By Depicting the Adorable Disney Character Bruni, I Discovered an Inner Artistic Monologue that I Never Had.

16

My Monologue

After Drawing Bruni, I Continue to Enhance My Painting Skills of Colored Pencils By Depicting My Favorite Cartoon Characters, For Instance, Spike That I Drew in This Artwork. It Was the 1st Time I Used Marker On Such a Large Art.

Watercolor

For Depicting Landscapes
and Abstract Concepts

01

A Dim Light Amid Darkness

This is the Latest Artwork in My Art Exhibition and My Favorite Watercolor Art. The Cosmos Within the Shell Symbolizes the World Humanity Once Believed We Resided in. The Shell Represents the Constraints of Human Thought, While the Light From the Windows Portrays the Wise Minds Who Dares to Think Outside the Box.

02

The Miserable Shark

This is the 1st Art that I Displayed in the Art Exhibition. By Showing a Shark Being Trapped in a Chinese Bowl, I Would Like to Promote the Notion of Ocean Conservation, Especially to Endangered Species Like Sharks As They Are Fine Dishes In Chinese Society.

03

My Blue Period In High School

My 2nd Art that I Displayed in the Art Exhibition. I Used Iron Man, Which is My Favorite Marvel Superhero, to Represent Myself. As I am A High School Student Who Was Suffered From Alienation During Year 9, I Depicted My Tragedies of Not Having Friends, While the Aurora is Representing the Beauty in this Cruel World.

KELVIN

04

Pride And Prejudice

My 3rd Art in the Art Exhibition. I Used Exaggeration Method to Enlarge the Black Horse and Knight, Which Represents the Black Ethnic Group in Reality. The Smaller White Horse and Knight Dressed in Flamboyant Costume Represents the Pride of the White in the Past. I Would Like to Use This Art to Advocate Equity.

05

The Bleeding World

This Watercolor Art Was My 1st Attempt in Dark and Depressing Style, Which Depicts the Global Tension Between Nations By Illustrating Various Landmarks, Including the One in China, Russia, the UK, the US, Germany, Netherland, and Greece. The Bloodmoon in the Background is Mirroring the Potential Wars.

06

The Eyes Of Demons

My 2nd Attempt In Dark Art Style and the Festive Watercolor Arts I Created in Halloween. I Depicted the Eyes Glowing in a Croissant, Which Has a Similar Shape as Our Eyes.
I Would Like To Use This Painting To Show That Everything Have Their Darkside That We Should Be Aware Of.

07

The Greed And Ambitions

In This Painting, I Used Exaggeration Techniques to Depict the Apples, Which Represents Rewards and Dreams, While the Bed Symbolizes the Foundation of Our Life Ability. If We Are Too Greedy, Ambitious, and Care Too Much About Acquiring Rewards, Then The Pressure Will Ultimately Consume Us.

08

The Lunar Tiger

My Favorite Festive Drawing About the Lunar New Year.
As It Was the Year of Tiger in 2022,
I Drew This Tiger For the Celebration in My Art Class.
In This Painting, I Used Splashing Technique to Make This Artwork
More Vivid and Colorful.

09

The Festive Lion

My 2nd Favorite Drawing About Lunar New Year, Which Mainly Used Vibrant Colors to Represent the Lively Atmosphere in Spring. The Lunar Lion is One of the Most Iconic Chinese Culture During the Spring Festival. The Lava, Volcano, and Flowers in the Background Mirror the Passion of People Towards Life.

10

The Glowing Phoenix

My 1st Festive Drawing About the Lunar New Year.
I Chose Phoenix, a Chinese Symbol of Life, To Represent the Vividness of Macau During 2019, Which I Consider to Be One of the Best Year in My Life. Moreover, It is Also a Milestone of My Improvement In Watercolor Techniques.

11

The Enchanting Flowers

I Depicted the Tragedies and Cruelty of Our World By Blue Colors
in the Backgrounds, while the Flowers Blossom
in the Blue Environment Represents
the Beauty in Our World That Worth to be Cherished,
As It Can Become the Power to Guide Us Forwards.

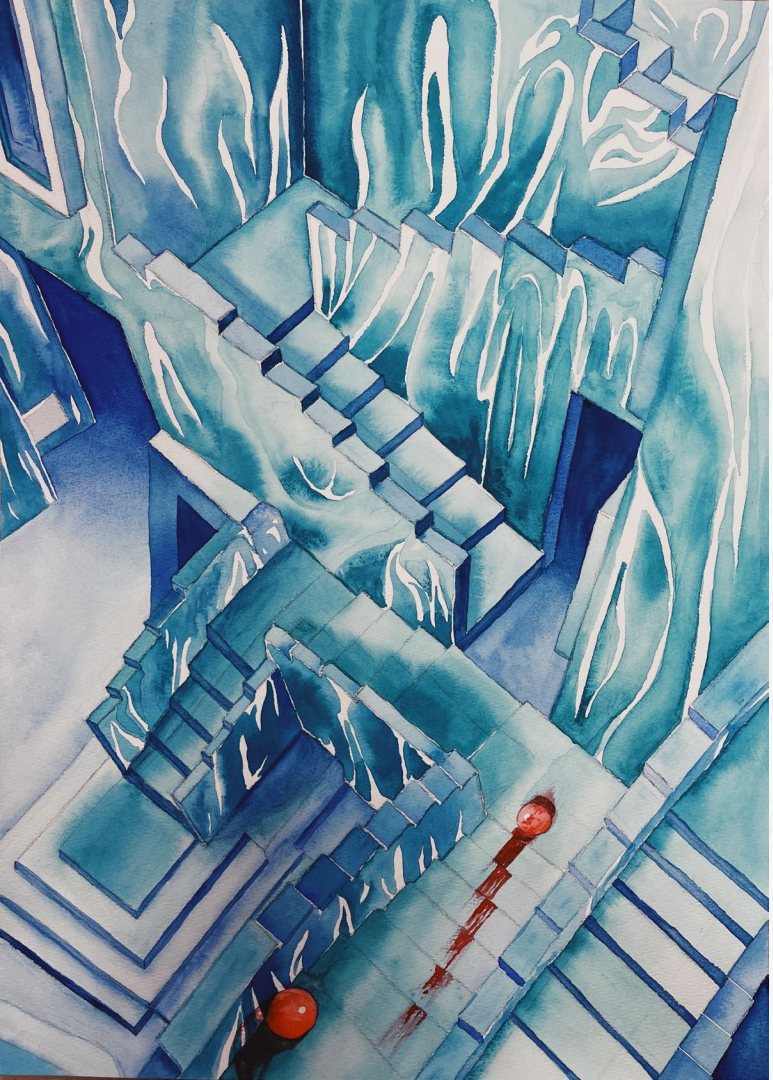

12

The Deserted World

By Illustrating the Houses, Cars, and Woods
in Simple Pixels of Colors,
I Depicted the Purity and Simplicity of the World After Apocalypse,
Where Humanity are All Perished and Extinct.

13

The Blue Maze

This Art That I Displayed in My Art Exhibition Is Inspired By the Renowned Korean Drama “Squid Game”. The Medical Cloak Texture of the Walls is Representing the Pandemic. One of the Red Ball Pushed the Others Down the Stairs Represents the Twisted Mankind.

14

"The Cameraman"

Another Art Piece That I Displayed in the Art Exhibition. This Abstract Painting Mainly Depicts a Man, But With His Head Made of a CCTV Camera. It Mirrors Our Current World That People are Over Relying on Electronic Devices and Can Even Cause Privacy Issues.

15

Dream Of Sky

One of the Most Abstract Artwork That I Displayed in My Art Exhibition reflects Myself, Who Always Dreamt to Fly Into the Sky and Even Explore the Moon. Therefore, This Dream of the Sky Sparks My Interest in Studying Aerospace Engineering.

16

Our Nature

This is My Favorite Artwork About Flowers. The Stem of the Flowers are Made of Electric Wires, Which Represents Our Environment is Affected By Mankind Activities. Despite the External Factors, Our Nature and Our True Inner Self, Which is the Flowers Remains Their Beauty.

17

Orchid Flowers

My 1st Drawing of Flowers That Depicts the Orchid Flowers, Which are My Father's and Mother's Favorite Flowers.
Also, the Stems Between the Flowers Represents the Enduring Bonds Between Me and My 2 Elder Brothers, and Between My Whole Family.

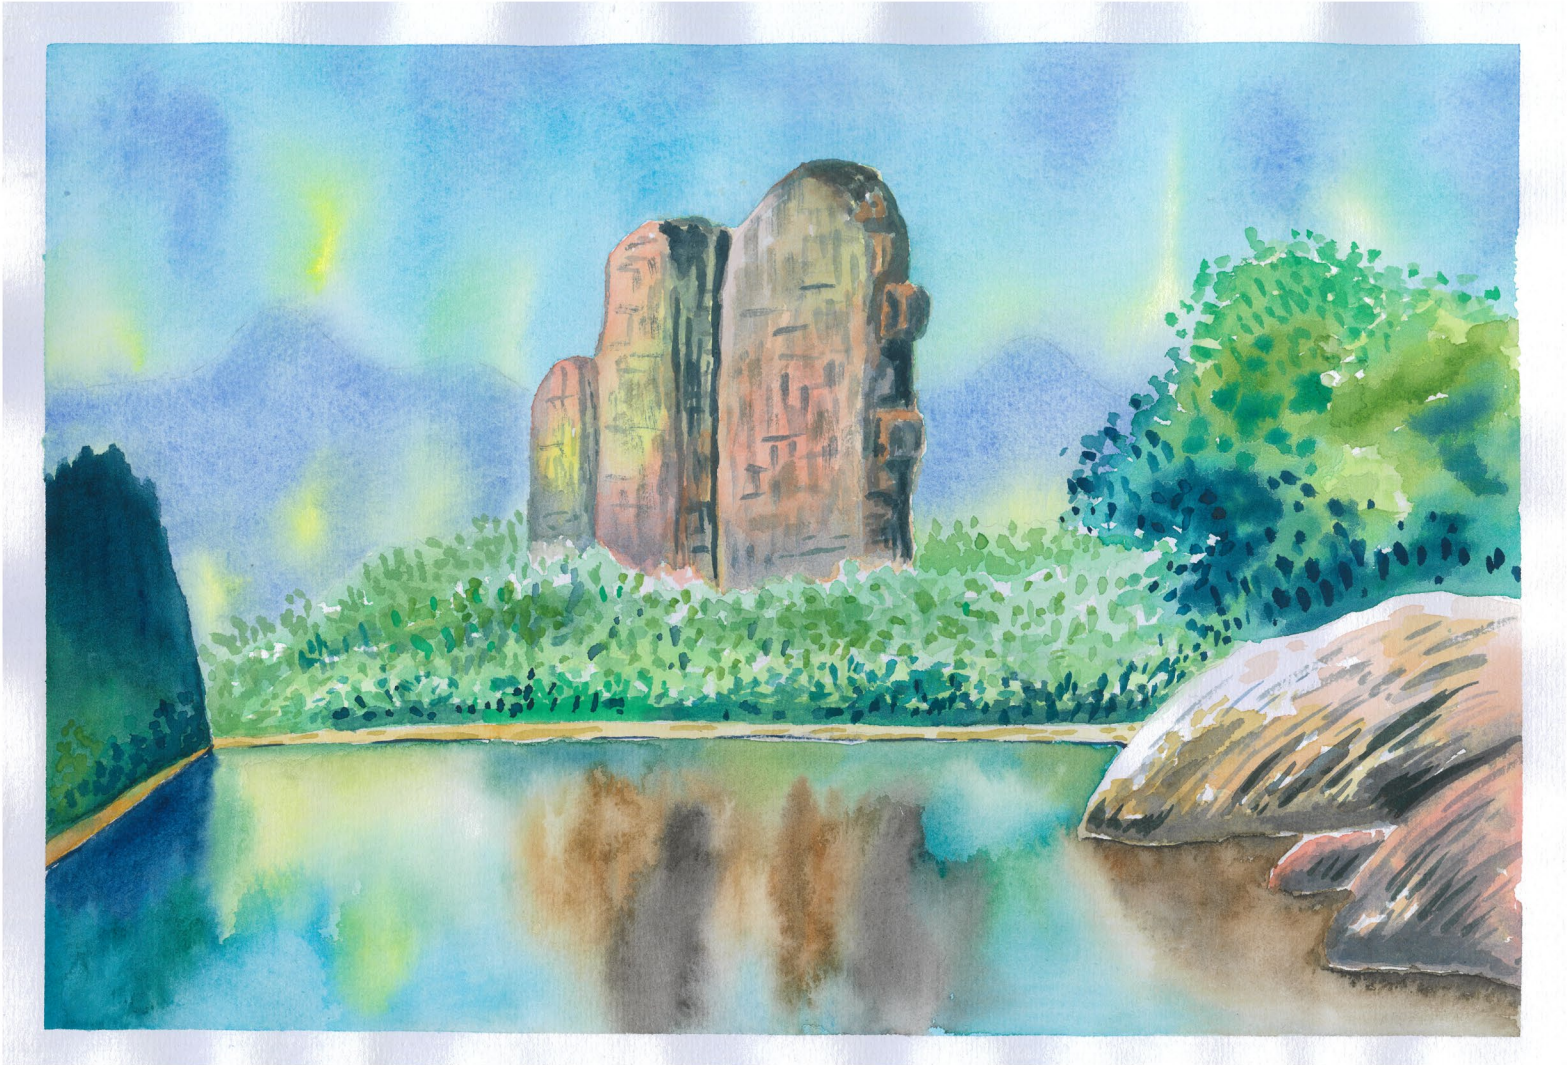

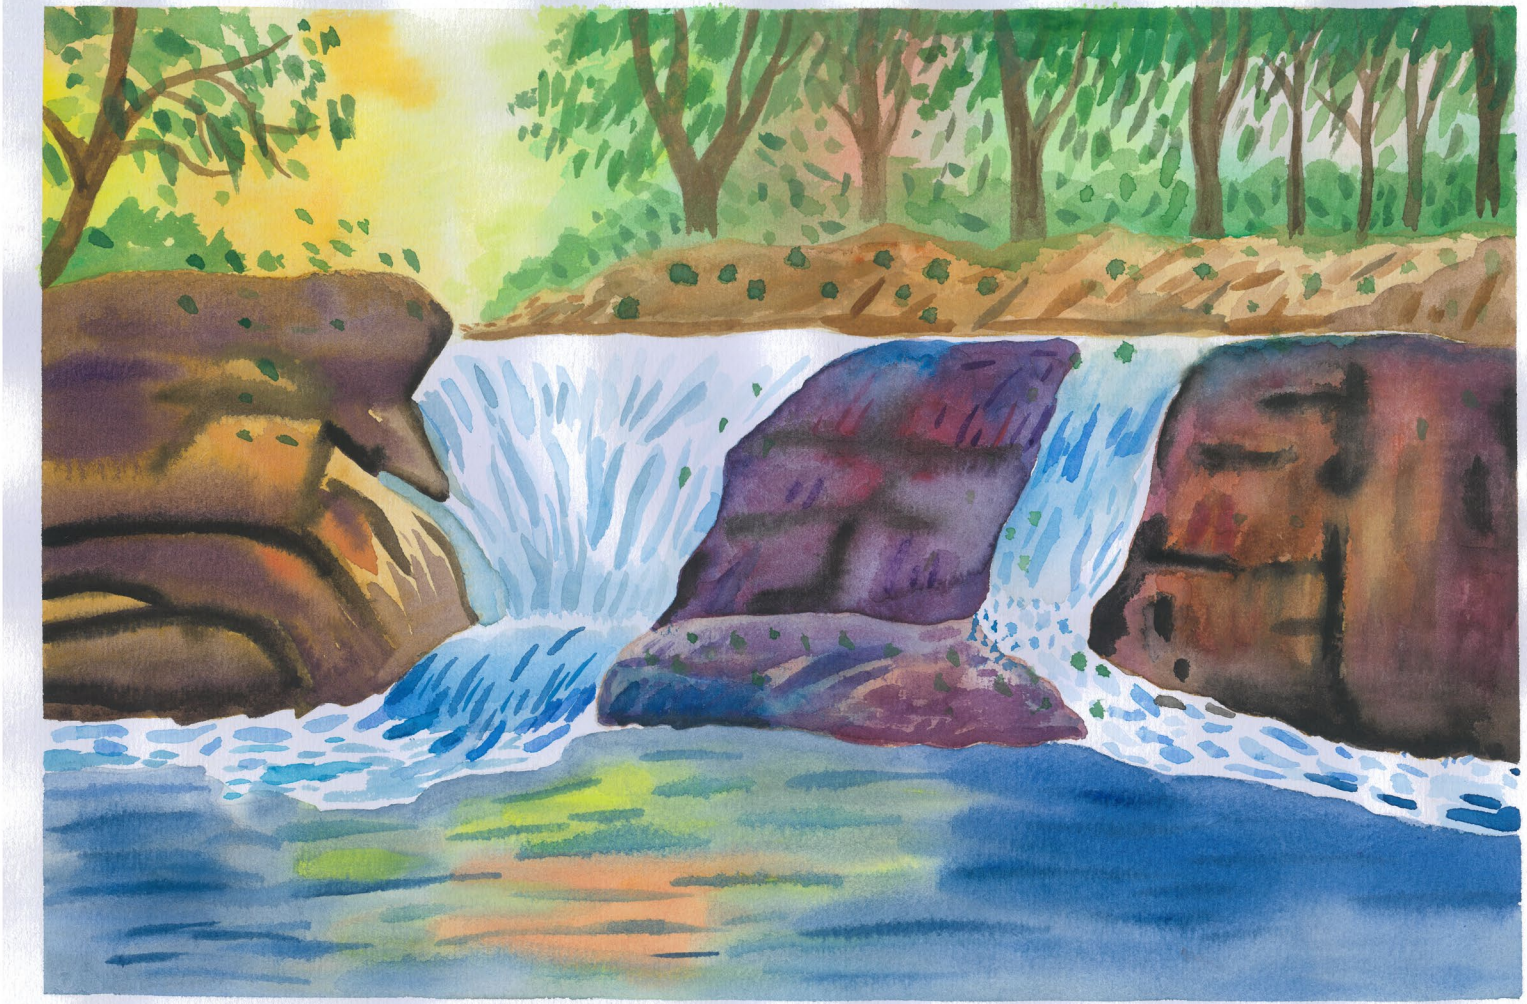

15

Guilin Vol.1

When I and My Parents Were Travelling in the Gorgeous Mountains and Rivers of Guilin, We Were Left Speechless By the Picturesque Landscape. Therefore, We Sit Down and Record Those Magnificent Sceneries Together With Our Watercolor Brushes.

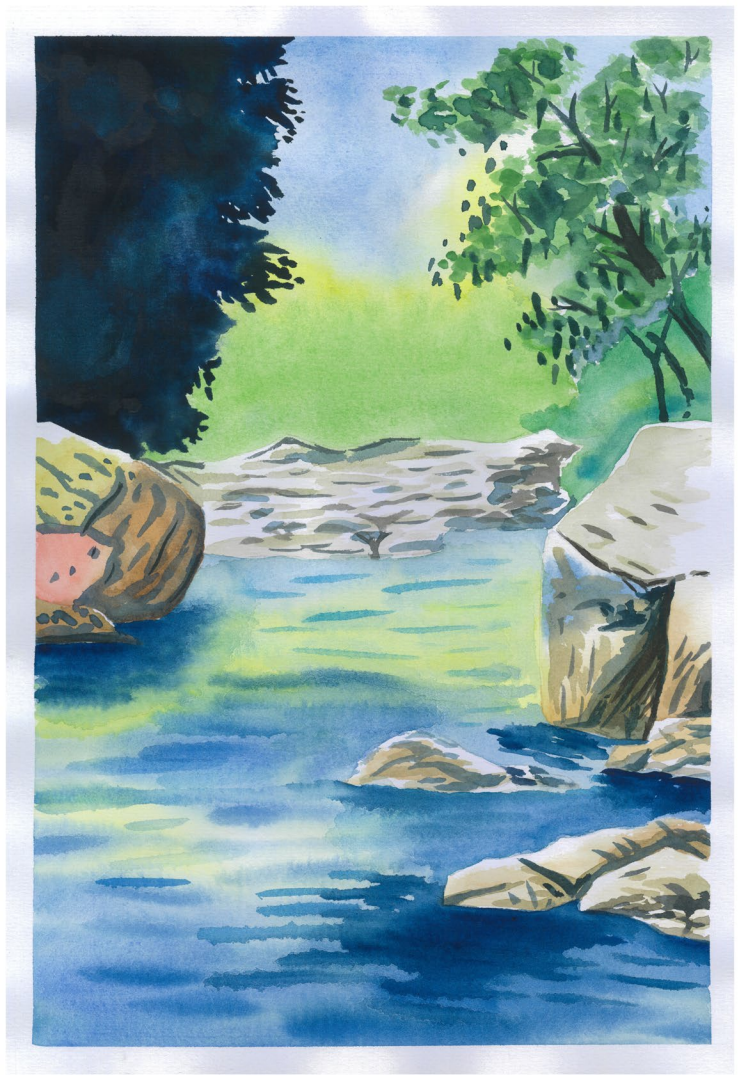

16

Guilin Vol.2

Another Drawing I Created With My Family During the Trip in Guilin. This Painting Was Inspired By a Towering Tree and the Stunning Green of the Forest Behind it.

17

Guilin Vol.3

This Artwork Depicts the Clear Blue Water of the Li Jiang River in Guilin Shan Shui. When I and My Parents Are Staying on a Boat Floating on Li Jiang River, We Decided to Create This Painting Together.

The Precious Memories With
My Macau Classmates

01

Our Bright Future

This Art Introduced Me to the Whole New World of Chalkboard Art. As the National Day of China Was Coming During That Time, I Decide to Draw Some Landmarks of China, Including the Tiananmen Square on the Blackboard. The Vibrant Red and Yellow is a Symbol of China, Mirroring the Lively Community.

Vividness

My 2nd Chalkboard Artwork. By Illustrating a Christmas tree, Olaf and the Japanese of “Merry Christmas” (As I Just Started Learning Japanese at that Time), I Depicted the Vividness of the Following Christmas. Also, the Flags Represent the Upcoming G20 Summit.

03

Flügel Der Freiheit

The Meaning of this German Title is “Wings of Freedom”.
Since the COVID-19 Pandemic Ended in the Spring of 2023,
We are Finally Set Free to Travel Around the World.
Among All the Countries, Japan Was the Most Popular Choice
in My Class. Therefore, I Depicted Mount Fuji and Cherry Blossoms.

01

Finding My Smile Again

A manga memoir about friendship, gratitude, and rediscovering the courage to move forward. Bold monochrome panels trace how small acts of kindness become a lasting source of strength.

02

Bridging Hearts & Voices

An illustrated podcast cover inspired by A Silent Voice. Cherry blossoms, shared sound waves, and a glowing heart express empathy, reconciliation, and the connections we build by listening.
